

Express to Inspire

WHERE & WHEN

04-07
MAY 2026

Venue: **Jio World Centre
BKC, Mumbai**
Timings: 9:00 am – 6:00 pm
(all four days)

Confirmed participants will receive a detailed program brief & preparation note.

You present, pitch ideas, motivate teams, run meetings, and represent your organisation. How would you describe the way you express yourself. Charismatic? Inspiring? Memorable? Compelling?

Does something hold you back? The internal editing. Years of being careful, appropriate, professional. True expression happens when you're uninhibited. When you rediscover ease. When expression is natural and purposeful, people listen.

Teams align. Culture strengthens. Momentum builds.
This is what we help you unlock.
